SALVATION ARMY

The Easter program that was held at the Salvation Army hall Sunday April 23 at 7:45 was a great success in every respect.

The exercise was carried out properly and promptly according to the program. The hall was filled to its utmost capacity and a great many were turned away on account of not having enough space.

The ending of the program was the demonstration of the "Rock of Ages." The platform was decorated very beautifully for the occasion.

It was very impressive throughout and a number of people raised their hands for prayer on account of the great blessing the service was to them. A.

W. C. T. U. SECRETARY TALKS

On Monday morning of this week, Mrs. Maude Perkins, of East Syracuse, New York, National Secretary of the W. C. T. U., Young People's Department, spoke in chapel. Mrs. Perkins is a very forceful and earnest speaker, and although she spoke only for a few minutes, she left with us a message which we may take to heart. The speaker showed how we are interested in a great reform namely, the abolishing of the legalized liquor traffic, and that the conditions as they exist today, in connection with this business, will make us responsible people in the next generations, for it is up to us in this present day, to do away with the saloon. Then we heard how drink forces itself into the blood, and the terrible result is, that posterity is weak minded and in many cases totally insane. We must study the conditions as they exist around us as they are today, and it is up to us as college men and women to try to better these conditions. "Why not use your ability for the things that are worth while, and for the things that count, and the greatest thing that counts in this day and age is the solving of the legalized liquor traffic problem.

It improves the blood, cleans the stomach, regulates the bowels, helps the appetite, livens you up. You work better—feel better—look better. Hollister's Rocky Mountain Tea, a real spring tonic. See Look-Paterson Drug Co.
